

We used this Thanksgiving time as an opportunity to teach **new vocabulary** words to the children.

Words like, Thanksgiving, party, and words associated with the feast like; turkey, cranberry sauce, soup, corn muffin, pumpkin pie, plate and fork.

Thanksgiving Story

We heard the story of the first Thanksgiving using visuals such as books, pictures and puppets.

Then the children had a chance to dress up and have fun with the props and play of Thanksgiving.

We also heightened the awareness of using words we may already know and use, and bring them into our everyday communications.

Words like 'thank you,' 'please', 'happy'. These words have been and will continue to be part of the way we communicate with each other.

Contribution To The Meal

Each class made another yummy treat to enjoy at the Thanksgiving Celebration.

In class today we made fresh, yellow corn muffins.

Take a look at how we all worked together to make them and please sample one or two.
