Hebrew School Shabbat Dinner

Gan/Kitah Aleph (K-1)

This week we concluded the last part of the story of Noah and the Ark. We learned all about the rainbow that G-D made for Noach. Therefore it was only befitting that our closing project was to make various edible rainbow jewelry and ornaments out of fruit loops and licorice. Please take a look at our colorful treats!

Morah Raqueli

Grade 3/Kitah Gimel

This week we learned about hakarat hatov-showing appreciation. Some are people we dont always remember like the custodian in school or our principal and some are people like our parents who we are most thankful for! Who is someone you are thankful to and why?

Morah Chaya

Grade 5/Kita Hay

Our koshe

r kitchen! Our class is now expert in all laws that pertain to keeping kosher. Keeping kosher is like food for you soul to grow, just like calcium makes your bones strong and protein builds muscle. Is the picture below, why are there two different sets of cutlery - one blue and one red??

Morah Rachel

Grade 2/Kitah Bet

Second grade putting on a play about Moshe being comforted by Hashem.

Morah Tova

Grade 4/Kita Daled

This past week after learning about the blessing that the KOHANIM bless us with and exactly how they do it with their hands, we wrote down a blessing that we would each bless the Jewish nation with!

Morah Vita

Grade 6/Kitah Vov

Grade Six made a Shabbat candel after learning all about Shabbat candels in regard to different mitzvot especially for girls and women.

Morah Rivka

Grade 7/Kitah Zayin

This week we continued learning about Abraham, and the

concept of faith. We explored the nature of faith and how to build and grow our faith in G-D and life.

Rabbi Yitzchok
